## **AGENDA REPORT**

AGENDA DATE 04/10/01

AGENDA ITEM 5

WORK SESSION ITEM           

**TO:** Mayor and City Council

**FROM:** Director of Public Works

**SUBJECT:** Foothill Boulevard Median Landscaping - Grove Way to City Limits:  
Approval of Addendum and Award of Contract

### **RECOMMENDATION:**

It is recommended that the City Council approve the attached resolution that:

1. Approves Addendum No. 1, which provides for minor revisions to the plans; and
2. Awards the contract to DB Landscape in the amount of \$174,955.50.

### **BACKGROUND:**

On February 13, 2001, the City Council approved the plans and specifications, acknowledged the project is categorically exempt from the CEQA process, and called for bids to be received on March 13, 2001. During the bidding period, Addendum No. 1 was issued for minor revisions to the plans.

On March 13, 2001, six bids were received ranging from \$174,955.50 to \$282,266. DB Landscape of Redding submitted the low bid of \$174,955.50, which is 23 percent below the Engineer's Estimate of \$228,208. Contra Costa Landscaping of Martinez submitted the second low bid of \$215,367.12, which is 5.6 percent below the Engineer's estimate. Since the low bid is 23 percent less than the Engineer's estimate, City staff requested and received confirmation from the low bidder that the bid is valid.

The participation goals established for this project were 10 percent for Disadvantaged Business Enterprise (DBE) and 3 percent for Women-Owned Business Enterprise (WBE). The low bid from DB Landscape included 1.4 percent DBE participation and 3.4 percent WBE participation. Although not on the City's resource list, the State Public Utility Commission did certify the WBE subcontractor. The low bidder submitted evidence of his outreach efforts to the City and staff recommends that the City Council award the contract to the low bidder, DB Landscape.

**PROJECT COSTS:**

The estimated costs of the project are as follows

Construction Cost	\$ 174,956
EBMUD Water Service	10,000
Design and Administration	20,000
Inspection and Construction	20,000
TOTAL	<u>\$ 224,956</u>

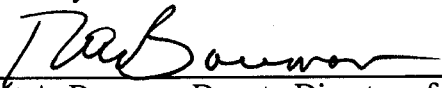

**FUNDING:**

A total of \$240,000 is approved for this project in the Capital Improvement Fund in the 2000/2001 Capital Improvement Program budget.

**SCHEDULE:**

Begin Construction	June 1, 2001
End Construction	September 30, 2001
Complete Plant Establishment	March 31, 2002
